Name of Facility

Radiation Safety Officer

1. Have you used Barnell for burial purposes since October 1, 1997?

2. If your answer to question 1 is “yes”, give the dates and the amount in ft3 (cubic feet) that you shipped for burial.

3. Do you anticipate using Barnell in the next year and approximately how many ft3 do you plan to ship?

4. Should Barnell close and District generators are left without burial privileges elsewhere, what options would you use to handle our LLRW?
